Data Protection Statement

The UAS for Health Professions Upper Austria (national language: FH Gesundheitsberufe OÖ), Semmelweisstraße 34, 4020 Linz, is the University of Applied Science (UAS) which will conduct the nostrification process. The UAS for Health Professions Upper Austria is responsible for your personal data processed in the nostrification process. In the verification process which will establish whether you can nostrify and which conditions you must fulfil, the UAS for Health Professions Upper Austria will process the data from your documents, which you have submitted with your request, the assessments and procedural steps in your nostrification and the information you provided in the face-to-face interview. If you are supported by a recruiting agency as part of the nostrification process, the UAS for Health Professions Upper Austria may transfer personal data to the client of the recruiting agency to ensure an efficient handling of the procedure, if this is necessary. The client, the UAR for Health Professions Upper Austria as the educational institution, the recruiting agency (if applicable), and you yourself have a legitimate interest in this pursuant to Art 6 para. 1 f) GDPR (General Data Protection Regulation). You may object to this processing at any time if you provide reasons arising from your particular situation. If there is any uncertainty about the certification of your documents, the UAS for Health Professions Upper Austria will contact the relevant foreign representative office or university and transmit the data necessary for the verification of the authenticity of the documents. This transmission is a necessary measure to ensure the quality of the nostrification, to which the UAS for Health Professions Upper Austria has a legitimate interest according to Art 6 para. 1 f) GDPR (Legal basis for the transfer to a third country: depending on the recipient Art 45 to 49 GDPR). The data are processed at the UAS by the certified IT service provider, who is committed to comprehensive data security, and are forwarded to Statistics Austria for statistical purposes in accordance with the legal obligations.

You will receive information about the data processing while you are taking the courses and/or completing the internships specified in the nostrification notice at the UAS for Health Professions Upper Austria later before you are admitted to the UAS. Further information and the corresponding data protection rights can be found in the date protection statement at https://www.fh-gesundheitsberufe.at/datenschutz/.
